## About Summit Schools, Inc.

Summit Schools is committed to preparing our students to work in an evolving, information-centered, global community of the 21st century. Enriching experiences, mindfulness and technology empower students to affect positive change in our world. Children become architects of their learning at Summit. Summit is the only private, independent, non-religiously affiliated PreK-middle school in Cedar Rapids, Iowa. We enjoy our unique position and are proud of the progress our students make individually and as a whole. Our students excel because of our high expectations, our multi-sensory approach to teaching and learning, and our attention to the individual needs and gifts of each child. Families select Summit Schools for their children because they value personalized education.
