Summit is dedicated to presenting a diverse curriculum that is intentionally inclusive. Summit uses its autonomy as an independent school to explore history and our world from multiple perspectives and lenses. At Summit we believe that we learn best when we consider experiences and explore opinions different from our own. We cultivate empathetic and independent thinkers who are aware they are part of a community and citizens of the world. We offer safe spaces to listen, share, question, and participate.

Welcome to Summit Summer Camps 2026!

This summer, Summit is excited to offer a wide range of specialized themed camps designed to inspire curiosity, creativity, and connection. Each week features a unique theme, with families able to choose A.M.-only, P.M.-only, or full-day options to create a schedule that best fits their summer plans. Many camps provide students with the opportunity to learn from Summit's talented teachers, who are committed to fostering growth in a supportive, engaging environment.

Our camp days are intentionally designed to balance structured learning and joyful play. Morning sessions focus on immersive, theme-based experiences where campers engage in hands-on projects, creative challenges, and collaborative learning tied to the week's focus. Afternoon sessions shift to a more play-based, movement-rich approach, giving campers time to be active, social, and imaginative through games, outdoor play, and collaborative exploration.

We are also thrilled to offer a holistic approach to strength and athletic development through P.E.A.K. Performance. This A.M.-only camp, available all summer for students in grades 3-8, is led exclusively by our physical education teacher, Jamie Day. Campers build strength, speed, and agility while participating in gameplay that promotes confidence, teamwork, and sportsmanship.

Our popular extended day program returns this year, offering convenient before and after camp care for families who need extended coverage.

In addition, Reading Resilience camps are back this summer, providing targeted literacy support through the Orton-Gillingham approach:

- 1st-3rd Grade Camp: Led by our 1st-grade teacher, Ms. Nikki, this camp helps younger readers build confidence and foundational literacy skills.
- 4th-6th Grade Camp: Designed to support developing readers as they strengthen fluency, comprehension, and confidence through personalized instruction.

We are also excited to welcome back Ms. Shelby as Co-Director of Summit's Summer Camps. A member of our Building Leadership Team and an aspiring principal, Ms. Shelby brings valuable leadership experience and a deep passion for education to our summer programming.

Whether you are new to Summit or a returning family, our camps are designed to be a highlight of the summer. Students will work in both small and large groups with experienced instructors to learn, create, and grow. At the conclusion of each specialized themed camp, families are invited to celebrate as students proudly share their completed projects.

Register by March 1 to receive 5% off your total purchase. Use code SUMMER26 at checkout to take advantage of this offer.

Join us for an unforgettable summer filled with learning, creativity, movement, and fun—we can't wait to welcome you to Summit this summer!

EXTENDED DAY

Before Camp Care: 7:15 A.M.-8:20 A.M. \$148/week
After Camp Care: 3:30 P.M.-5:30 P.M. \$227/week
Before and After Camp Care: \$353/week

Summit's Extended Day Program is designed to provide families with the flexibility they need while ensuring students enjoy a safe, engaging, and enriching start and end to their camp day. Families may choose A.M. care, P.M. care, or both, allowing you to create a schedule that works best for your family's summer routine.

During Extended Day, students will participate in a variety of supervised indoor and outdoor activities that encourage creativity, movement, and social connection. Campers can enjoy free play, group games, hands-on crafts, and relaxed activities that give them time to unwind or energize before transitioning into or out of their scheduled camps.

Our experienced staff create a welcoming and supportive environment where students feel comfortable, cared for, and engaged. Whether your child prefers active outdoor play, creative art projects, or quiet time with friends, Extended Day offers a balance of options to meet different interests and energy levels.

Summit's Extended Day Program provides a smooth, consistent experience that complements our daily camps—making summer days easier for families and more enjoyable for students.

Before and after extended day care for students is available through pre-purchase only. "Drop-ins" will only be accepted if spots are available in accordance with DHS guidelines.

Looking for continued or individualized academic support beyond summer camps?

Tutoring is available beyond the summer months and is tailored to meet students where they are – whether they need reinforcement, enrichment, or ongoing academic support.

Learn more and inquire online:
summitschools.org/programs/tutoring

Keep the learning momentum alive this summer with our four-week Reading Resilience Camp! Designed to prevent summer learning loss and build confidence, this camp is tailored to meet the unique needs of every student.

Led by skilled teachers trained in the Orton-Gillingham approach, we focus on strengthening reading and comprehension skills through personalized instruction and engaging activities. Each session is crafted to support students with targeted strategies, empowering them to overcome challenges and unlock their full potential.

Whether your child is working to build fluency or simply stay sharp over the summer, this camp is the perfect opportunity to cultivate a love for reading while ensuring steady progress. Join us to help your child maintain resilience and thrive in their literacy journey!

REGISTER BEFORE MARCH 1ST!

Global Explorers

Week 1

Kindergarten - 1st Grade: Tiny Explorers

Get your passport ready! Each day, we'll "visit" a new country to explore its animals, music, traditional foods, games, and crafts. From samba dancing in Brazil to paper fans in Japan, it's a week full of imagination and world wonder.

2nd Grade - 3rd Grade: Passport to Adventure

Campers will journey across continents through engineering challenges, map-making, cooking projects, and cultural games. We'll build Eiffel Towers from marshmallows, solve international scavenger hunts, and learn greetings in new languages.

4th Grade - 6th Grade: World Builders

Campers become urban planners, architects, and cultural curators! They'll design cities, plan trade routes, create flags, and build mini civilizations—then solve challenges like resource sharing and natural disasters.

Morning Adventures (8:30 AM - 11:30 A.M.)

Each morning, campers dive into the day's theme through hands-on projects, creative challenges, and engaging indoor and outdoor activities. From crafting and building to experimenting and storytelling, these experiences spark curiosity, imagination, and teamwork—all tailored to their age and interests.

Afternoon Explorations (12:30 PM - 3:30 P.M.)

In the afternoons, we shift gears with play-based, movement-rich activities designed to keep campers active, social, and having fun. Whether it's outdoor games, imaginative play, or collaborative challenges, these sessions focus on friendship, creativity, and joyful exploration.

MARCH 1ST!

Wild World

Week 2

Kindergarten - 1st Grade: Animal Safari

Grab your binoculars! We'll "travel" to the jungle, desert, arctic, and ocean to meet amazing animals. Play animal charades, make masks, and go on daily animal quests.

2nd Grade - 3rd Grade: Animal Allies

Through games, crafts, and short experiments, campers will learn about animal adaptations, survival skills, and habitats. We'll create camouflage critters and bird feeders too!

4th Grade - 6th Grade: Zoologists in Action

Campers will investigate animal case studies, debate animal rescue vs. zoos, design enrichment activities, and create model habitats for imaginary animals. A great mix of science and creativity!

Morning Adventures (8:30 AM - 11:30 A.M.)

Each morning, campers dive into the day's theme through hands-on projects, creative challenges, and engaging indoor and outdoor activities. From crafting and building to experimenting and storytelling, these experiences spark curiosity, imagination, and teamwork—all tailored to their age and interests.

Afternoon Explorations (12:30 PM - 3:30 P.M.)

In the afternoons, we shift gears with play-based, movement-rich activities designed to keep campers active, social, and having fun. Whether it's outdoor games, imaginative play, or collaborative challenges, these sessions focus on friendship, creativity, and joyful exploration.

Mad Scientist Mayhem

Week 3

Kindergarten - 1st Grade: Silly Science Lab

Color-changing potions, gooey slime, and fizzy explosions fill the week with excitement. Budding scientists will mix, mash, and marvel.

2nd Grade - 3rd Grade: Crazy Chemistry & Wacky Physics

Hands-on experiments introduce campers to basic chemistry, states of matter, and gravity-defying tricks. Think volcanoes, oobleck, and balloon-powered fun.

4th Grade - 6th Grade: Lab Rats: Real World Science

Campers test theories, log data, and compete in science challenges. They'll build lab gear, try "escape the lab" puzzles, and discover just how cool science really is.

Morning Adventures (8:30 AM - 11:30 A.M.)

Each morning, campers dive into the day's theme through hands-on projects, creative challenges, and engaging indoor and outdoor activities. From crafting and building to experimenting and storytelling, these experiences spark curiosity, imagination, and teamwork—all tailored to their age and interests.

Afternoon Explorations (12:30 PM - 3:30 P.M.)

Maker Mania

Week 4

Kindergarten - 1st Grade: Little Makers

Cardboard, paint, tape, and imagination collide as campers tinker and build.

Projects include creature masks, cardboard castles, and wearable art.

2nd Grade - 3rd Grade: Design & Build Bonanza

Kids dive into open-ended challenges like “build a flying machine” or “design a mini theme park.”

Each day ends with a creative share-out session.

4th Grade - 6th Grade: Maker Lab Masters

Advanced build-it challenges with real tools, creative materials, and group innovation.

Think catapults, light-up crafts, and recycled robots.

Morning Adventures (8:30 AM – 11:30 A.M.)

Each morning, campers dive into the day’s theme through hands-on projects, creative challenges, and engaging indoor and outdoor activities. From crafting and building to experimenting and storytelling, these experiences spark curiosity, imagination, and teamwork—all tailored to their age and interests.

Afternoon Explorations (12:30 PM – 3:30 P.M.)

In the afternoons, we shift gears with play-based, movement-rich activities designed to keep campers active, social, and having fun. Whether it’s outdoor games, imaginative play, or collaborative challenges, these sessions focus on friendship, creativity, and joyful exploration.

Theme Park Takeover

Week 5

Kindergarten - 1st Grade: Mini Theme Park Magic

Each day is inspired by a pretend theme park land: jungle safari, candy land, space zone, and more! Crafts, games, and pretend play bring it all to life.

2nd Grade - 3rd Grade: Park Builders Lab

Campers will create their own ride designs, map out mini parks, and invent characters and menus. End the week with a “grand opening” to tour each other's parks.

4th Grade - 6th Grade: NextGen Park Builders

Design, engineer, and market an original theme park! Students will build working ride models, pitch their parks Shark Tank-style, and host interactive exhibits on Friday.

Morning Adventures (8:30 AM – 11:30 A.M.)

Each morning, campers dive into the day's theme through hands-on projects, creative challenges, and engaging indoor and outdoor activities. From crafting and building to experimenting and storytelling, these experiences spark curiosity, imagination, and teamwork—all tailored to their age and interests.

Afternoon Explorations (12:30 PM – 3:30 P.M.)

Imagination Lab

Week 6

Kindergarten - 1st Grade: Rainbow Wonders

Color is everywhere! We'll mix colors, paint with ice, make rainbows in jars, and explore weather through play. Expect lots of bright messes and magical moments.

2nd Grade - 3rd Grade: STEAM Explorers

Dive into hands-on experiments that mix science, technology, engineering, art, and math. We'll launch balloon rockets, build marble runs, and paint with pendulums.

4th Grade - 6th Grade: Inventor's Workshop

Campers take on daily innovation challenges: design a rescue device, build a chain reaction machine, or create their own inventions to solve silly problems. Think like an engineer, build like a boss!

Morning Adventures (8:30 AM – 11:30 A.M.)

Each morning, campers dive into the day's theme through hands-on projects, creative challenges, and engaging indoor and outdoor activities. From crafting and building to experimenting and storytelling, these experiences spark curiosity, imagination, and teamwork—all tailored to their age and interests.

Once Upon a Design

Week 7

Kindergarten - 1st Grade: Fairytale STEM

What if the 3 Little Pigs had better building materials? We'll bring fairytales to life with STEM twists—building, testing, and experimenting while stepping into storybook worlds.

2nd Grade - 3rd Grade: Story Engineers

Campers will invent alternate endings, build character-inspired gadgets, and complete real-world engineering challenges based on fairy tales and fantasy stories.

4th Grade - 6th Grade: Creative Coders & Myth Makers

Campers explore storytelling through digital and analog tools—stop-motion animation, game design, and creative writing with a mythological twist.

Morning Adventures (8:30 AM - 11:30 A.M.)

Each morning, campers dive into the day's theme through hands-on projects, creative challenges, and engaging indoor and outdoor activities. From crafting and building to experimenting and storytelling, these experiences spark curiosity, imagination, and teamwork—all tailored to their age and interests.

Week 8

Dive into the Wonders of Water

Kindergarten - 1st Grade: Water World

Splash into summer! Every day features water-themed play, experiments, and art. We'll race boats, make rainbow bubbles, and end the week with a mini water day.

2nd Grade - 3rd Grade: Splash Science

Campers will explore buoyancy, water flow, and water reactions through outdoor experiments and games. Be ready to get wet and learn something cool!

4th Grade - 6th Grade: Aqua Architects

Can your dam hold water? What's the best sponge bridge design? Campers will use real tools and team strategy to build and test water-related structures.

Morning Adventures (8:30 AM - 11:30 A.M.)

Each morning, campers dive into the day's theme through hands-on projects, creative challenges, and engaging indoor and outdoor activities. From crafting and building to experimenting and storytelling, these experiences spark curiosity, imagination, and teamwork—all tailored to their age and interests.

Afternoon Explorations (12:30 PM - 3:30 P.M.)

P.E.A.K. PERFORMANCE

Weeks 1-8

Push yourself to new heights this summer! PEAK Performance Camp is focused on building strength, boosting confidence, and achieving personal fitness goals in a fun and supportive environment.

P.E.A.K.	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8
A.M. ONLY	June 8-12	June 15-18*	June 22-26	June 29-July 3	July 6-10	July 13-17	July 20-24	July 27-31**
3rd-8th grade	8:30 A.M.-11:30 A.M.							

“The current era of youth sports dictates that if you do not specialize early and devote your life to one particular athletic pursuit, you run the risk of being left behind. I have been an athlete all my life and have witnessed the shift from childhood being a time to explore a variety of physical activities in both structured and unstructured capacities shifting to an arduous full-time engagement, that frankly robs many kids of the fun and enjoyment of the sport. Current research demonstrates consistently that the best athletes experience an extended ‘sampling period’ during childhood. During this time they gather physiological, tactical and social lessons from a wide range of physical activities. This camp seeks to offer a more holistic alternative to young developing athletes. We will pull from a wide range of movement disciplines to comprehensively improve physical capacities. This includes strength, speed, mobility, field awareness, hand-eye coordination and spatial awareness. We will also dive into topics related to sports psychology, which includes the facilitation of a growth mindset, problem solving, teamwork, collaboration and coachability.” -Jamie Day, Summit Teacher

Over the course of 8 action-packed weeks, your athlete will join our skilled and inspiring teacher, Mr. Jamie, on a journey to boost their fitness and confidence while having a blast.

Campers will work on:

- **Strength Training** – Build muscle, stamina, and self-discipline.
- **Speed & Agility** – Enhance quickness, coordination, and reaction times.
- **Game Play** – Put new skills into action through fun and competitive activities.

Each participant will set personal fitness goals and work toward achieving them with guidance from Mr. Jamie.

This camp is perfect for athletes looking to elevate their overall wellness, gain new skills, and stay active all summer long.

**Students entering 3rd-8th grade
for the fall of 2026.**

*No camps will be held on June 19, 2026, in observance of Juneteenth. The discount will be applied at checkout.

Additional Camp Information

PLEASE REGISTER YOUR CHILD FOR THE GRADE THEY WILL BE ENTERING IN THE FALL.

Please visit our website to register: summitschools.org/programs/summer-camps/

- All students registered by May 15, 2026 will receive a complimentary Summit Summer Camps swag item.

- NO REFUNDS will be issued after May 15, 2026, but a credit will be allotted to the family's account to be used during Summit's 2026 summer camps. The exception is camps canceled by Summit Schools due to insufficient enrollment, which will be refunded in full.

- Notice of canceled camps (due to insufficient enrollment) will be sent to the e-mail provided during registration.

- Waitlists are held until enough registrations have been collected to open an additional section(s) and staffing has been secured.

- Students who are registered for an A.M. and P.M. camp in the same week, will have a supervised lunch and recess between 11:30 AM – 12:30 PM. Students should bring a lunch from home that does not require heating or cooling.

Please note that **lunch is not provided** and **students must be registered for an AM and PM camp in the same week to participate in the lunch and recess option.**

***No Camps June 19, 2025, in observance of Juneteenth.**

****Early Dismissal Friday, August 1st at 1:30 P.M. - Last day of camp, No P.M. Only Camps and No P.M. Extended Day. The discount will be applied at checkout.**
